MEALS AND SNACKS

Ask children to name and describe what they are eating. Is it hot or cold? Sweet or sour?

Talk about how food is grown and where it comes from.

Name the foods you're eating, describing their colors, tastes, and shapes.

Together make a list of each child's favorite foods.

Tell or read stories about the foods the children are eating. *Green Eggs and Ham*, *The Very Hungry Caterpillar*, and *If You Give a Moose a Muffin* are just a few fun examples!
