

Let your toddler's everyday activities

POP

with literacy-learning POWER!

MUSIC AND MOVEMENT

Sing songs with hand motions such as "Wheels on the Bus" and "The Eensy-Weensy Spider."

Make up your own silly rhyming songs to sing along with daily routines such as bathing or dressing.

Pause while singing to let your toddler fill in a word or phrase that comes next.

Offer pots and pans to tap and drum to music.

Sing or play songs at different tempos, and talk about whether they're slow, slower, fast, or faster.
